

Summer Fete - Raffle Hamper

We will again have a "Fantastic Hamper" as a raffle prize at this year's fete. We want to make it something special - something with a "WOW" factor – containing quality items, all well within date! You can help by offering items from the list below. There is a sign-up sheet at the back of St James, just write your name alongside the item and delete the item from the list.

Please drop your items in the labelled baskets in the church community area, or hand them over to Doreen and Tony Bloxam.
