Kitchen facilities - New year's resolution to keep it in good working order

Due to the need to use our time and resources wisely, we are looking at the time and effort used for various of our Ministry functions, and how it can best be used. Hence the kitchen team will only be doing basic maintenance tasks; this means, there are no tidying up-in between sessions fairies. Everyone and every group needs do this - over a week if everyone leaves 1/2 things we have to do, then this mounts up. Any notices or advice or labelling/cupboard layout plans are there for a purpose to guide you how to find things, where to put them and what action to take. We will be monitoring what happens each week and there will be a REMINDER BOARD near to the Micro-Wave of matters that have arisen, which we need you to follow the advice given. As every group/rota shift has plenty of time to do all the necessary, these things can be done, before you hand it over to the next session. Should this strategy not result in less time having to 'restore' the kitchen to a good standard for everyone, then the only alternative will be to rota groups in turn over the year, to come in on a free Saturday morning to do the necessary tasks. As everyone has a lot of do, and lives to live, we do not want to have to do this, So it is really down to everyone to pull together. We can only have one system in place. Thank you for your co-operation. *Rose Parrott.*

Flowers for special occasions

We are fortunate to have two hugely experienced and professional flower arranging teams at Birstall & Wanlip who are willing to receive requests for flower arrangements to be placed in Church to mark your special occasion. Donations for the cost of the flowers are always welcome, but not always necessary. If you would like the teams to arrange a flower display with your special occasion in mind, please contact Sylvia Simes on 2674206 or email: sylviasimes66@gmail.com (Birstall) and Marjorie Bonshor on 2207964 (Wanlip)
