

HAVE YOUR SAY

Birstall

Residents' Survey

We have created a survey which can be found in the churches / council offices / schools / library or by scanning the QR Code below and filling in online. It should take under 5 minutes.

We want to find out what our priorities should be, as we work together.

We can't make any promises – most of us are volunteers, but we want to work together for the good of our village!

SCAN TO TAKE PART

1. Open your phone camera
2. Point it at the QR code
3. Tap the link that appears

Fill out the form on your mobile.

Birstall Stakeholder Group

WORKING TOGETHER FOR OUR COMMUNITY

The survey has been put together on behalf of the Birstall Stakeholders Group, which consists of (in no particular order) Churches, NHS, Schools, Parish Council, Businesses, Youth Groups, Cedar Mews Care Home and more.

Together we have created Warm/Welcome Spaces in the community; provided items to help people in need; put together "Lesley's List" which lists all the groups we can find in Birstall and Wanlip. This list can be viewed in the churches, the Parish Council Offices, and the library. We want to decide what to do next, so please would you fill in this simple survey and return it to any church / the council offices / or one of the shops that have a card box with the words "Community Survey" on. Thank you!

Paper copies are available from local churches, council offices, schools and the library.
